Friends of the Library are individuals who share an interest in helping the library grow. The Friends meet monthly to learn about the library, participate in hands-on tasks helpful to the library, and organize fundraising events which help support the library. It is not necessary to attend programs/meetings to be a valued Friend and participation at any level is welcome. Anyone who wishes to see the Marcellus Free Library grow is invited to become a Friend. Membership forms are available at the library's circulation desk.
