

# HOW TO ALLOWANCE

**April 28, 2022 | 5:30 p.m.-6:30 p.m.**  
**Marcellus Free Library**  
**32 Maple St, Marcellus, NY 13108**

Setting our children up for success means showing them how to manage their money, but there are so many ways to approach allowance.

This free program, designed for anyone taking care of children now or in the future, will help discuss the different whys behind allowance and our best recommendations.

Bring your questions, struggles, successes, concerns, and ideas—this program will challenge some existing ideas about allowance and how it can work for your family!
