Treasurer/Finance: Pat Dailey reported. He led the Board through the financial report. Library operations are within budget on a preliminary basis through April. MFL is still looking for a book keeper. There are three options being explored 1) Hire a replacement internal person. 2) Use an interim external provider 3) Hire a permanent external provider. Jake noted the importance of having someone with immediate access to our records. The Finance Committee will meet when Pat Dailey and Jake Widrick make their final decisions.
**Building and Maintenance:** Jake Widrick reported. The Allyn Foundation grant request was denied. Jake has more grant interviews. Official confirmation of NYS Division of Library Development has not come yet. Physical library inventory has been completed. Sara Randolph is doing the technology inventory. There is a spring cleanup day planned for Saturday, May 19, 2018

Bylaws Committee will be updating several sections of the current bylaws for the board to consider at a future meeting.

Kyle has started the data review.

**Development:** Martha Lollis reported. The “Experience Dinner” was considered a success. The dinner subcommittee went over survey results and all were positive. It was agreed that we should do it again next year. We will start organizing earlier and concentrate more on community building.

**Director’s Report:** Jake Widrick reported. Changes in OCPL staffing may affect patrons’ services. MFL staff morale is high. Spring programming has been very successful.
